

New Product Launches

**Video Wall over IP
Extender Kit, PoE**

500754

- Any user defined array configurations to up to 200 screens
- Content distributed over LAN

**DVI + USB 2.0
4 Port Extender**

500391

- DVI and USB to distances of 100m over single Cat5e/6
- 4-port USB on receiver
- Digital KVM applications

**HDMI Extender Kit,
HDBT Lite, UHD-4K, PoE**

500451- PoE

- HDMI to distances of 70m over single Cat5e/6
- UHD 4K resolution support
- IR pass-thru and PoE

**Pro Digital Network
Controller**

500811

- Control of any MuxLab product
- Works with 3rd-party control systems

**Analog Audio Balun
Amplifier**

500219

- Compact zone amplifier receiver
- 2x 30W Class-D digital amplifier

**Audio Zone
Amplifier**

500216

- In-wall zone amplifier
- 2x 30W Class-D digital amplifier
- Volume and input selection

Introducing the all new

16x16 Modular Matrix

- ✓ Modular design allows for fully flexible I/O structures
- ✓ Distributes digital AV inputs to HDMI or HDBaseT™
- ✓ RS232, USB, IP, or web interface control
- ✓ 7" LCD touch-screen display
- ✓ PoE & LAN supplied to HDBaseT™ receivers
- ✓ Advanced diagnostic reporting
- ✓ Optional separate audio matrix
- ✓ Monitor HDMI output & test pattern generator

Unrivalled 4K60 HDMI distribution

Part Number	Product Description	Part Number	Product Description
500480	Multimedia 16x16 matrix switch chassis		
500481-I	4 channel HDMI/RS232 input card, UHD-4K	500481-O	4 channel HDMI/RS232 output card, UHD-4K
