Overview:

The HDMI over IP Extender Kit with PoE allows HDMI equipment to be connected up to 330ft (100m) @ 1080p via one (1) Cat5e/6 unshielded twisted pair cable in a point-to-point configuration. Point-to-multipoint and multipoint-to-multipoint is possible by connecting several Transmitters and Receivers to the same Ethernet network.

The MuxLab Pro Digital Network Controller (500811) is available to simplify configuration and control and allows for third party smartphone and tablet management.

The Transmitter (500752-TX) and Receiver (500752-RX) also support PoE (PD) if used with a PoE (PSE) Ethernet Switch. The kit comes with one (1) Transmitter and one (1) Receiver. The IR Emitter and IR Sensor, if required, may be purchased separately for IR based remote control applications.

For the point-to-multipoint and multipoint-to-multipoint configuration the Ethernet switch must have Gigabit ports, DHCP Server capability and IGMP communications protocol. We recommend using the Cisco SG300 Series Managed Switches.

Features:

- HDMI 1.3
- Supports up to 1080p resolutions
- Motion JPEG compression with Very low latency
- Supports 100's of Transmitters and Receivers, depending on network bandwidth
- Supports point-to-point, point-to-multipoint and multipoint-to-multipoint applications
- Transmission up to 330ft (100m) over Cat5e/6
- Up to 390ft (120m) between the TX and RX when no LAN switch is used
- Supports IR transmission for remote control
- PoE powered
- Control via any web device (mobile, tablet) with use of model 500811 (Pro Digital Network Controller)

Cable

| One (1) Cat 5e/6 or better twisted pair cables required |

Power Supply

This device supports PoE (PD), an external power supply is not included. It is intended to be powered via a PoE (PSE) Ethernet Switch. If required, an optional power supply (500992) may be purchased separately.

PoE

IEEE 802.3af

Power Consumption

Transmitter: 2.9Watt Receiver: 1.8Watt

Temperature

Operating: 0°C to 40°C Storage: -20°C to 85°C Humidity: Up to 95% non-condensing

Enclosure

Metal black

Dimensions

3.70” x 3.68” x 0.97” (94 x 93.5 x 24.6mm)

Weight

1.1lbs (0.5kg)

Compliance

Regulatory: FCC, CE, RoHS Flammability: 94V0

Warranty

3 years

Order Information

500752 HDMI over IP Extender Kit with PoE (UPC: 627699007525)
500752-TX HDMI over IP Extender TX with PoE (UPC: 62769907525)
500752-RX HDMI over IP Extender RX with PoE (UPC: 627699807521)

Accessories

(These items are sold separately)

500990 IR Emitter, and 500991 IR Sensor
500992 Univ. Power Supply 5VDC/1.2A US/UK/EU Blade
